**SHARE PRICE CLOSES AT HK\$4.08 PER H SHARE  
85.5% ABOVE OFFER PRICE**

(Hong Kong, 8 December 2006) — H shares of **China Communications Services Corporation Limited** (“China Comservice” or “the Company”)(HKSE code: 552.HK), a leading integrated provider of specialized telecommunications support services to telecommunications operators in China, commenced dealings today on the Main Board of the Stock Exchange of Hong Kong.

Following the enthusiastic market response of 329 times subscription for its public offer, China Comservice’s H shares were actively traded and recorded positive price movements today. Share price reached an intra-day high of HK\$4.22 per H share and closed at HK\$4.08 per H share, approximately 85.5% higher than the offer price of HK\$2.2 per H share. A total of approximately 988 million shares changed hand on turnover of approximately HK\$3,592 million, making China Comservice the most traded stock with the highest transaction value.

Mr. Wang Xiaochu, Chairman of China Comservice, said, “We are very pleased indeed with the strong performance of our share price and trading volume on our first trading day. It is indicative of China Comservice’s favourable future prospects being recognized by investors. We will continue to enhance our business growth in the future, strive for satisfactory results and achieve the best returns for shareholders.”
